

Seal & Protect Your Door with DuPont Flashing Kits

DuPont Flashing Systems are uniquely engineered to protect doors where water is most likely to find its way in to the building envelope.

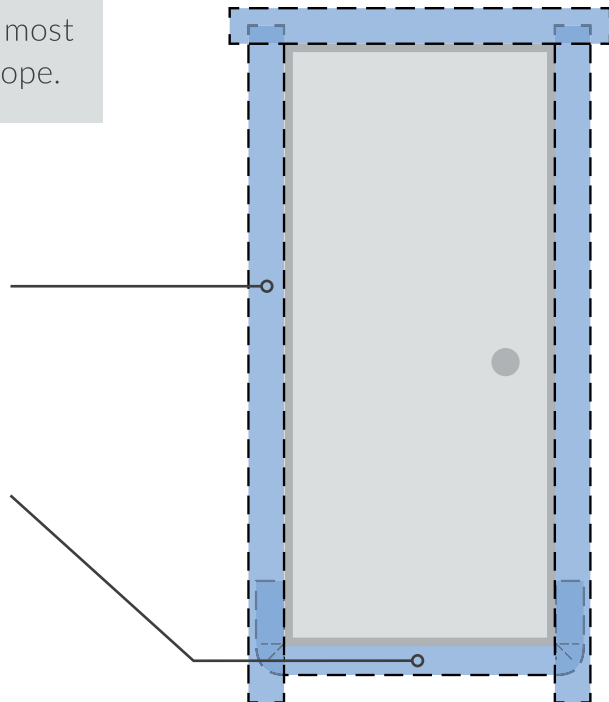

What's Included:

DuPont™ VersaFlange™

Dual-sided flashing tape to create moisture seal around non-flanged doors or windows.

DuPont™ FlexWrap™

Flexible flashing for window and door sills or round top windows.

Meets or exceeds AAMA 711-13 | 100% Butyl Adhesive
